RE: [REDACTED]
DOB: [REDACTED]

Dear Mr. Sgroir:

Thank you for your update on [REDACTED].

It seems like you are working miracles with her. Just to get her up and around is tremendous progress. Please continue walking with her with the goal of getting her independent to the point of using a cane. This represents significant progress over where she has been at in the past couple of years.

Yours Very Truly,

John H. Wheaton, MD
Orthopedic Department
Moses Lake Clinic

JHW/amw

The mission of Wenatchee Valley Medical Center is to provide our patients with the highest quality health care and service in a friendly and caring atmosphere.
