

Hi Kevin ☺

Words can't thank you enough for all the WONDERFUL therapy sessions while in your care for the two weeks I was out there in Idaho.

Not only did I get GREAT treatments at every session but everyone was always so up beat, enjoying their work, and so compassionate and friendly but at the same time, very professional. I fondly think of all of you as an extended family ☺

How I wish I could be there right now for another therapy session or better yet, that I lived close enough to have a standing appointment. I'm looking forward to having more treatments when I'm back out there in June.

Take care and tell all the others 'hi' for me.

God bless,  
Diane
